Preganziol Municipal Administration  
Preganziol – Treviso - 1994 / Piccinato Award 2005

**In February 2005 the Master plan for Preganziol was awarded first prize in the competition for the Territorial Planning devoted to “Luigi Piccinato” promoted by the Veneto Region.**

**The plan for Preganziol was constructed mainly as a city project, with safeguarding the character of it's a identity and communal land as a prerequisite, and simultaneously having the idea of an intimate part of a broader context coincide with the historical axis of Terraglio, the intended settlement system as a whole.**

**The main ideas like the city project that was seen to be to build both parties in rural areas, for the latter was sought to define through the proposal of a forest, a landscape that can integrate with the existing one**
