

## Rho Masterplan

---

Rho Municipal Administration  
Rho - Milano - 2009

---

The main theme of Rho's Masterplan is represented by Milan's conurbation and a series of emergent opportunities: the major transformation that has already been achieved (la Fiera), scheduled work (l'Expo), or in clarification (the reuse of the Alfa Romeo area). Also the evolution of both the road and rail infrastructures, in particular to increase the capacity of the station.
